(MD 017: Shadows of Madness)

FC conversion by Maksim Kotelnikov

Many years ago Tibor, a wizard with an overwhelming desire for knowledge of the plane of shadow, locked himself away in a tower to pursue his studies. Shortly thereafter, his tower was consumed in a dark explosion, and the mage was assumed dead. However, assumption can never be taken as fact, and now the PCs have stumbled upon a hidden stairway where the tower once stood, leading down into the shadowy earth below...

General

The entire ruin is haunted by a powerful shadow (PC) that tend to attack when PCs are engaged in dungeon.

- Area 8

Area 1

The stairway leads down into a small room with two crumbling doors to the east. Vines and cobwebs appear to have taken over the area. Three g

● Encounter: Area

Area 2

This small room is littered with bones and meat in various stages of decay. Access to this room can only be gained by traversing narrow narrow hallways. PCs may only move through this room their if they encounter them

● Encounter:

Area 3

This hidden room can be detected with a DC 20 Wisdom (Perception) check or found with a DC 15 Intelligence (Investigation) check if actively searching the hallway. The floor just inside the hidden door is trapped with a collapsing roof trap that will activate once the door is shut and will affect everyone within the room. The room is empty except for a painting that hangs on the wall depicting what looks to be the PCs in an epic battle with a shadowy figure.
